

# Thomas the Apostle Catholic School

Thursday, September 10, 2020:

Dear Families,

Please send in your erate forms if you have not already turned them in. Thank you!

Also, please send in the flu shot forms by next Wednesday, September 16<sup>th</sup> if you want your child(ren) to get the flu shot. The Cole County Flu Shot Clinic will be on Wednesday, October 14<sup>th</sup> from 1:30-2:30 PM in our school library.

We will be hosting JV volleyball games next Thursday and our girls play at 6 and 7 PM. There are some CMPAL COVID-19 guidelines for volleyball matches. One is that **ALL ATTENDEES SHOULD WEAR A MASK FOR ENTERING AND EXITING FACILITIES AND WHEN SOCIAL DISTANCING CANNOT BE ACHIEVED**. If a facility has stricter mask guidelines then those must be followed. **Also, attendance should be limited to immediate family of players (Parents and siblings) and the family members must stay within their static group as much as possible**. There can be no running around by the children or trying to go into the concession stand. These guidelines are for everyone's protection. Thanks for your cooperation and understanding on these CMPAL guidelines! We are just so happy that our student-athletes get to participate and we want to have a complete season, so it is very important that we follow all the guidelines.

Achievement testing for Grades 2-8 will run from October 5-9. Please try to avoid scheduling any doctor and dentist appointments if at all possible. Also, please make sure your children get plenty of sleep and eat a good breakfast. This will help them with their concentration on their achievement tests. Thank you!!

Have a safe and enjoyable weekend with your family and friends!!

God Bless,

Mr. Leroy Heckemeyer
