

Thomas the Apostle Catholic School

Thursday, April 18, 2024:

Dear Families,

We want to congratulate Stella Volmert on receiving the Optimist Club of Jefferson City award that recognizes one student in the fifth grade from all the elementary schools in Cole County. They had a nice banquet on Tuesday, April 16 to recognize all the students who received the Optimist Award from the 5th grade classrooms. Congratulations to Stella!

The 5th-8th grade took their spring field trip this past Monday, April 15 and they went on a Prison Tour and a Capitol Tour made possible through Rudy Veit's office. Everyone enjoyed the trip and it concluded with ice cream at Central Dairy, before coming back to school.

The Preschool – 4th grade classes will be taking their spring field trip this coming Monday; April 22 and they will be going to Bridal Cave in Camdenton.

The Diocesan Sketch Day will be on Wednesday, April 24th and it will take place in Jefferson City. Our 7th and 8th graders will be attending this event. Good luck with your sketches!

On Thursday, April 25th the 7th and 8th graders and several parents will be attending a Kansas City Royals baseball game. We hope the weather is good for their trip and that the Royals can get a win on this day! This is also an Early Release day!

There will be NO SCHOOL on Friday, April 26th.

Please be looking for another email that I will be sending out about Dress Code changes for the next school year. I will get this out later today. Thank you!

Please have a wonderful day and God Bless!

Mr. Leroy Heckemeyer
