

# Thomas the Apostle Catholic School

**Monday, February 6, 2023:**

Dear Families,

First, we want to say thank you to all our students, faculty and staff, parents and grandparents for a wonderful Catholic Schools Week! It was a wonderful celebration!

We also at this time want to remind all of our parents on how important it is to help with all the different activities that our school offers throughout the school year. This Saturday, we are hosting CMPAL basketball games and we need everyone to work who has signed up or who has been assigned to work. It takes everyone to make these games run smoothly.

Also, we will be hosting some more basketball games during the CMPAL Championship Week, which runs from February 27 – March 5. As soon as we know the dates and times we are hosting, we will need additional help for these games. PLEASE remember that HOME & SCHOOL is the organization that pays for all of our field trips and other events that our students are fortunate to be a part of, so we really do need all of our parents to help with these events. The week of the CMPAL Championships could be a great money maker for our small school, but we do have to have the help to be successful. Many hands do make light work! Please check all your emails that come from school. There will be emails that will go out on worker sign up, etc. when we get closer to the CMPAL Tournament. Thank you for your understanding and support from St. Thomas the Apostle School and our Athletic Committee!!

We want to wish our basketball players and our archers good luck with the remainder of their seasons! They are all doing a wonderful job with their basketball games and archery matches.

Please have a wonderful day and enjoy the warmer weather!

God Bless,

Mr. Leroy Heckemeyer
