## Scrip Program

---

### What is Scrip?

Scrip is a program that includes local businesses working with our St. Thomas Family to help raise money to better educate our children and help with needed items for our school. St. Thomas School has been selling scrip gift cards since 1999. In recent years, the St. Thomas Scrip Program has been able to purchase smart boards for all classrooms and new computers for the computer lab!

### How does Scrip generate revenue for St. Thomas the Apostle School?

- We purchase large amounts of scrip (gift cards) from grocery stores, department stores, restaurants, and other retailers. The scrip is purchased with cash up front; the participating retailers offer a substantial discount to the school.
- We resell the scrip to you for full face value. You receive a gift card just like you would if you were to buy one at the store.
- The discount, 1.5% - 20%, is retained by our school as revenue.
- Twenty-five percent of the profit earned on your scrip purchases made between June 1, 2018, and May 31, 2019, may be credited to a family of your choice to help pay their 2019-2020 book fees.
