ST. THOMAS THE APOSTLE SPORTS PROGRAM 2026-2027

St. Thomas Athletic Committee is interested in your son and/or daughter participating in the Sports program for the year 2026-2027. We ask that you fill out this form and return to school as soon as possible. ***Any student participating in any sports program must receive a physical examination prior to participation. (Currently the Diocese accepts 2 year physicals if signed off by the doctor for 2 years).***

Archery for boys & girls 4th grade through 8th grade
Basketball for boys & girls 5th through 8th grade
Volleyball for girls in 5th through 8th grade

Parental volunteers are a necessity in making our sports program work. Coaches are needed for each team. **Coaches must complete the Virtus training (Safe Environment) before practice begins.** In addition, every parent is expected to work their scheduled times in the concession stand, at the door, and score keeping. There is a $20 enrollment fee per child to participate in the Athletic Program. (Archery is $40 per child for bulls eye tournaments. If your child wants to participate in the 3D tournaments, they will need to pay an additional $20. This will help cover tournaments & equipment). Jerseys will be provided for basketball & volleyball.

The PAL organization has gone through a major restructuring over the past 3 years! The cost is currently $25.00 per sport. This does not apply to Archery.

I give _____ permission for the following sport(s).

He/she will be in the _____ grade.

_____Archery

_____Boy's Basketball

_____Girl's Basketball

_____Volleyball
